ABOUT MYSELF

Hi I'm Mihret Hailu

Passionate web developer with a strong proficiency in front-end technologies. Adept at creating visually stunning and responsive websites, translating client requirements into functional, user-friendly web applications.

EXPERIENCE

Web developer

- Collaborated extensively with university clients to develop an innovative food delivery website, streamlining the order and fulfillment process for students
- Designed and implemented an assignment helper platform, leveraging user-friendly features to connect students with tutors and improve academic outcomes
- Partnered with the Woldiya University credit association to conceptualize and deliver impactful web projects, enhancing the accessibility and functionality of their financial services

EDUCATION

2021 – 2025

Bachelor degree in computer science

woldiya university
